# CICELY HAUGHTON SCHOOL

# PERSONAL SOCIAL & HEALTH EDUCATION POLICY (PSHE) and RELATIONSHIPS AND SEX EDUCATION (RSE) POLICY

#### Introduction

- THIS DOCUMENT IS a statement of the aims, principles and strategies for teaching and learning of Personal, Social and Health Education (PSHE) and Relationships and Sex Education (RSE) at Cicely Haughton School.
- THIS POLICY WILL BE REVIEWED ANNUALLY.
- THIS POLICY WILL BE REVIEWED in the Spring of 2023.

# Policy Statement

This policy is a working document which provides guidance and information on all aspects of PSHE and RSE in the school for staff, parents/carers and governors. To be accessible to all of these groups the document needs to be available on request and presented in a way that is easy to understand.

This policy has been developed in consultation with staff, pupils and parents.

# Aims and Objectives of PSHE and RSE at Cicely Haughton are to:

- Teach the fundamental building blocks and characteristics of positive relationships, with particular reference to friendships, family relationships and relationships with other adults and children
- Promote the spiritual, moral, cultural, mental and physical development of all pupils
- Teach children to RESPECT themselves and others
- Prepare pupils for the opportunities, responsibilities and experiences of later life
- Encourage pupils to value themselves and others

- Allow pupils to acknowledge and appreciate difference and diversity
- Teach pupils how to make informed choices
- Prepare pupils to be positive and active members of a democratic society
- Teach pupils to understand what constitutes a safe and healthy lifestyle
- Provide a framework in which sensitive discussions can take place
- Promote safety in forming and maintaining relationships
- Provide pupils with a toolkit for understanding and managing their emotions
- Provide pupils with the opportunities to consider issues which may affect their own lives and/or the lives of others
- Help pupils to identify the characteristics of healthy relationships, how relationships may affect mental and physical health; and how to stay safe online
- Prepare pupils for puberty, and give them an understanding of sexual development and the importance of health and hygiene
- Help pupils develop feelings of self-respect, confidence and empathy
- Create a positive culture around issues of sexuality and relationships
- Teach pupils the correct vocabulary to describe themselves and their bodies

#### **PSHE Statement:**

PSHE underpins all we do at CHS. PSHE is timetabled throughout the week as discreet lessons with a focus from our themes throughout the year. In addition to these lessons, PSHE is addressed throughout the entire school day and into residence. From Meet and Greet, where children arrive to school and get ready to learn, to breakfast or snack times, lunch time meals, breaks, nurture, trips and wellbeing/enrichment activities. As a SEMH provider, an emphasis on SEMH and Communication and Interaction provides a curriculum for the EHC Plan targets that the children have.

#### What is PSHE and RSE?

- PSHE is Personal, Social and Health Education. It is a body of knowledge which equips individuals either formally or informally to exist and feel valued in a modern society.
- RSE is part of lifelong learning about the emotional, social and physical aspects of growing up, relationships, sex, human sexuality and sexual health.
   RSE, within PSHE, aims to give children and young people essential skills for building positive, enjoyable, respectful and non-exploitive relationships and the skills to stay safe both on and off line. It enables pupils to explore their own and other's attitudes and values and builds their self-esteem and confidence to view their own sexuality positively. RSE is not about the promotion of sexual activity.

# STATUTORY REQUIREMENTS:

At Cicely Haughton, we teach PSHE and RSE as set out in this policy. The Department for Education has introduced compulsory Relationships Education for primary pupils and Relationships and Sex Education (RSE) for secondary pupils from September 2020. Also, from September 2020 it is compulsory for all schools to teach Health Education. Through these subjects, we want to support all young people to be happy, healthy and safe - we want to equip them for adult life and to make a positive contribution to society. At Cicely Haughton, we have committed to retain our current choice to continue to teach age-appropriate sex education alongside relationships education. In doing so, we have regard to guidance issued by the Secretary of State (2000) as outlined in Section 403 of the Education Act 1996, and in accordance to the new statutory guidance for Relationships Education, Relationships and Sex Education and Health Education (2019).

# Subject Content and delivery of PSHE and RSE

RSE is taught within the PSHE education curriculum. Some biological aspects of sex education are taught within the science curriculum. At Cicely Haughton, we teach PSHE through Twinkl PlanIt following a long term plan which incorporates the PSHE Association scheme of work. These lessons are based around a theme which changes half-termly. At Cicely Haughton, we believe that pupils should be taught about the society in which they are growing up. In addition to our themed topics, we also visit thematic issues and recognise key dates such as Anti-bullying Week, Children's Mental Health Week and Black History Month. A full list of these are included on our PSHE long term plan. We also teach key topics that arise based on important political, social or information from the police within our locality. These subjects are designed to foster respect for others and for difference, and educate pupils about healthy relationships.

We believe that RSE should meet the needs of all pupils, whatever their developing sexuality or identity - this should include age-appropriate teaching about different types of relationships in the context of the law. Pupils should receive teaching on LGBT relationships, which is delivered at Cicely Haughton, for example, through teaching about different types of family, including those with same-sex parents.

# Pupils with SEND

All pupils at Cicely Haughton are pupils with SEND. Careful consideration is given concerning the level of differentiation needed, and in some cases the content or delivery will have to be adapted. Teachers and/or teaching assistants work with individual pupils where required, and if appropriate.

### Parents' right to withdraw

The school is well aware that the primary role in children's relationships and sex education lies with parents and carers. We wish to build a positive and supportive relationship with the parents and carers of children at our school through mutual understanding, trust and co-operation. In promoting this objective we:

- Make available online, via the school's website, this RSE Policy;
- Answer any questions that parents may have about the RSE/PSHE education of their child;
- Take seriously any issue that parents raise with teachers or governors about this policy or the arrangements for RSE/PSHE in the school;
- Inform parents about the best practice known with regard to RSE, so that the teaching in school supports the key messages that parents and carers give to children at home. We believe that, through this mutual exchange of knowledge and information, children will benefit from being given consistent messages about their changing body and their increasing responsibilities.

We have committed to a retain parents' right to withdraw their child from sex education within RSE (other than sex education in the National Curriculum as part of science). There is no right to withdraw from Relationships Education at primary or secondary as we believe the contents of these subjects - such as family, friendship, safety (including online safety) - are important for all children to be taught.

If a parent wishes their child to be withdrawn from the sex education elements of RSE, they should discuss this with the headteacher, and make it clear which aspects of the programme they do not wish their child to participate in.

Parents should be aware that schools are legally required to provide a broad, balanced curriculum. Sex education topics can arise incidentally and overlap with relationships education lessons and it is not possible to withdraw pupils from these relatively limited and often unplanned discussions.

Alternative work will be given to pupils who are withdrawn from these lessons.

# Roles and responsibilities

The Local Academy Board (LAB) will approve the PSHE and RSE policy, and hold the headteacher to account for its implementation. The headteacher is responsible for ensuring that PSHE and RSE is taught consistently across the school, and for managing requests to withdraw pupils from components of RSE.

# <u>Staff</u>

Staff are responsible for:

- Delivering PSHE and RSE in a sensitive way
- Modelling positive attitudes to RSE
- Monitoring and assessing progress of the PSHE curriculum (EAZ) on a half-termly basis
- Responding to the needs of individual pupils
- Ensuring sensitivity and well-judged teaching based on knowledge of the pupils being taught, taking into account different family structures
- Ensuring that there is no stigmatization of children based on their home circumstances and needs
- Responding appropriately to pupils whose parents wish them to be withdrawn from the [non-statutory/non-science] components of PSHE and RSE.
- Staff do not have the right to opt out of teaching PSHE or RSE. Staff who have concerns about teaching RSE are encouraged to discuss this with the headteacher.

# <u>Pupils</u>

Pupils are expected to engage fully in PSHE and, when discussing issues related to RSE, treat others with respect and sensitivity.

# **Training**

Staff are trained on the delivery of PSHE and RSE as part of continuing professional development. The headteacher will also invite visitors from outside the school, such as school nurses or sexual health professionals, to provide support and training to staff teaching RSE.

## Monitoring arrangements

The delivery of RSE is monitored by Carmel Benson (PSHE lead) through:

- Lesson observations, learning walks, feedback from staff and children.
- Pupils' development in RSE is monitored by class teachers as part of our internal assessment systems.
- This policy will be reviewed every year. At every review, the policy will be approved by the Local Academy Board (LAB) and headteacher.

# How PSHE and RSE links to the whole School Intentions

#### **Our Intentions**

- with improved positive physical and mental health
- with life skills enabling them to access the world around them
- as enriched individuals
- with improved self-regulation
- with improved independence
- as responsible and respectful citizens

Intent					
How is our school's <b>intent</b> represented throughout the curriculum for this subject?	<ul> <li>PSHE lessons cover a range of topics around Relationships including:</li> <li>How to develop and maintain a variety of healthy relationships, within a range of social/cultural contexts</li> <li>How to recognise and manage emotions within a range of relationships</li> <li>How to recognise risky or negative relationships including all forms of bullying and abuse</li> <li>Keeping something confidential or secret; recognising and managing dares</li> <li>Recognising aspects of a healthy relationships; physical boundaries within different relationships; working together; behaviour; resolving conflict</li> </ul>				
	<ul> <li>PSHE lessons cover a range of topics around Living in the Wider World including:</li> <li>Respect for self and others</li> <li>The importance of responsible behaviours and actions</li> </ul>				
	<ul> <li>About rights and responsibilities as members of families, other groups and ultimately citizens</li> <li>Different communities and groups</li> </ul>				

<ul> <li>Respect equality and be a productive member of a diverse community</li> <li>Respecting and protecting the environment</li> </ul>
<ul> <li>Where money comes from, keep it safe and the importance of managing it effectively</li> </ul>
<ul> <li>How money plays an important part in people's lives</li> </ul>
The basic understanding of enterprise
Improved positive physical and mental health
In addition to the lessons taught in the PSHE topics above, the children take part in Wellbeing Days. Wellbeing days occur <mark>throughout the year</mark> with emphasise of the "5-a-day to Wellbeing", mental health and PSHE.
Life skills enabling them to access the world around them
In addition to the lessons taught in the PSHE topics above, pupils regularly take part in trips and enrichment opportunities enabling them to access the world around them. All classes take part in daily Nurture activities, with an emphasis to work on EHC Plan targets and Boxall Profile targets with a PSHE focus.
Enriched individuals
In addition to the lessons taught in the PSHE topics above, pupils have increased opportunities to take part in trips and enrichment activities provided by the school or external providers.
Improved self-regulation
In addition to the lessons taught in the PSHE topics above, pupils have small class sizes with specialised staff to focus on improving self-regulation throughout the day. Pupils are well supported during crisis and staff are trained in PROACT- Scip.
Improved independence
In addition to the lessons taught in the PSHE topics above, pupil's self-esteem is increased through praise and reward systems in school that increase confidence and independence.
Responsible and respectful citizens
In addition to the lessons taught in the PSHE topics above, pupils are provided with opportunities to gain skills in this
area. Prefects, school council representatives and monitors are used in classes to give children the opportunities and
gain trust from adults. Good manners and respect are praised and staff have high expectations for the pupils.

## How is the PSHE and RSE Curriculum Implemented?

	and will be reviewed in Spring 2025					
How is the subject timetabled? How do we know this happens?	How The PSHE lead monitors the teaching of PSHE lessons through book trawls, planning trawls and learning walks. Class					
How is the subject mapped out? How are we ensuring coverage?	PSHE lessons are mapped out in a long term plan. The core themes are: Relationships, Health and Wellbeing, Living in the Wider World. These themes are divided into topic sessions that can be found in our PSHE subject overview. CHS is part of the PSHE Association and use this resource to assist planning and delivery of the PSHE curriculum. The resources to teach PSHE are sourced from Twinkl planIt - Platinum.					
Can we see progression across the school within pupils' books?	Pupils' work is stored in pupil topic files kept in classrooms and displayed around the school. Timetabled book trawls take place to enable the PSHE lead to see progression across the school within pupils' work.					
	In addition to the PSHE Education all classes focused on PSHE for the first week based around 'All About Me', class rules and expectations, school council election,					
How is assessment used to impact	Boxall Profiles are used to assess pupils' development and diagnostic profiles.					
learning? How do we know it is accurate?	PSHE assessment has been added to EAZ to focus PSHE objectives and record teaching outcomes. This is an assessment of PSHE Curriculum (coverage) taught from the LTP. This takes place half-termly.					
How confident are staff with the subject? How do we know?	Staff are confident in teaching PSHE and in delivering a holistic PSHE curriculum through the nurturing ethos of CHS. The school has 2 mental health first aiders that have completed the mental health first aid (MHFA) in 2018. (CBE and KRU). SMP and NCH attended summer 2022. CBE and KLH attended Emotional Coaching course 2021-2022.					
ow do we measure the Impact of the						
	Impact					
All children access a discrete PSHE lesson each week. All teachers are following the new PSHE LTP and evide can be found on weekly subject overviews. The ethos of CHS, provides a global PSHE delivery to pupils, staff issues, events, traumas and conflict on a daily basis. This may be delivered formally or informally; to individual groups of children or to the whole class. Staff eat meals with children and teach table manners as well as into and conversing informally, encouraging and managing pupil conversation at meal times. Children currently eat i groups, classes are encouraged to seat children around a table, or change the layout in the room to make meals more social and use this opportunity as a PSHE session. Films are not encouraged to be used during meal time						
How does varying staff confidence impact on the curriculum?	Teacher questionnaire are timetabled and issued to enable the PSHE lead to gain an insight of the teaching of PSHE. If applicable these are then included in the PSHE Action Plan.					

All teaching and residential staff completed the SUNDERLAND Mental Health CACHE Level 2 course in 2020-21.

Positive feedback from past wellbeing days- Huge success due to partnership between Mental Health and PE leads in school. Focus on physical and mental health improvements for pupils being the forefront of the plan for 2022/23 wellbeing days.

Promotion of Change4Life - classes all promoting and increasing the amount of physical exercise opportunities in school - this will be a focus of 2021/22 plan

Changes in our school use of plastic - taking care of our environment

Battery collection as a school - taking care of our environment

Charity events supported in 2022-23 including Royal British Legion, Children in Need, Harvest Food Bank donations, Christmas Jumper day for Dougie Mac, and the pupil-led wellbeing sponsored run for Animal Life which raised over £1000.

Pupil Voice - the school council continues to thrive and make changes and improvements to school including an increase in play equipment for breaktimes, improved school menus for pupils, wellbeing and charity choices.

Summer Fayre - working with the community/understanding money/charity and giving of time, money

Anti-bullying week continues to be recognised and classes take part in increasing the profile and awareness of this each year.

Mental health awareness week - raised awareness

Continue to promote positive mental health for pupils and staff - keep the awareness up and ensure new pupils continue to receive the information need.

The school has achieved dyslexia friendly full status and as such will give due regard to dyslexia friendly strategies and objectives.
