

Diary Dates

End of term

Friday 22nd October

DBE/NMO Class

Physical Education

PE will take place on a Monday and Thursday. Unlike last year we will provide PE kit for the children but please send in trainers/suitable footwear for your children to use.

Our PE focusses for the half term are Health related exercise and Gymnastics.

As well as this we will also be encouraging the children to be active throughout the day.

Dear Parents and Carers,

We would like to take the opportunity to welcome you to our class. My name is Mr Bentley and I am your child's class teacher (some of your children were with me last year!). I will be working alongside Miss Moore. We have provided some information which you may find useful for the first half of the Autumn Term, part of an important Year, for some a final year at Cicely Haughton!

Notes

- Please use Class Dojo as a means of communication. Feel free to use Class Dojo to inform us of any relevant information and we will use Class Dojo to update you with information throughout the week. We may also use it to share fantastic work and awards! We thank you for all your support in advance

- If you would like to speak to us please feel free to call the school on 01782 550202.

If there is any further information you require please let us know.

Curriculum

As part of our curriculum, children will be having regular nurture sessions to settle back in school, build trust and develop social and emotional skills, these sessions will be done in various ways. Our science focus we will be Animals including Humans, learning about life cycles of humans and animals. For our topic, we will be studying Ancient Greece, including Greek warfare, politics and Gods. Topic will cover History and Geography. We will also be reintroducing French in to our curriculum, a subject that the children really enjoy!

In Maths we will follow the National Framework, whilst identifying and focussing on gaps in learning due to Lockdown. Homework for Maths will be set on a Monday to be returned on a Tuesday. The children will be streamed for English, meaning that they may have a different teacher to myself. English homework will be set on Tuesdays and Wednesdays.

Our Offer

We will be using the school grounds to explore and adventure, as class trips are not permitted at the moment. We have a number of facilities in school that children will be able to use, such as Mountain bikes, inline skates and Mountain boards.

The sole focus of our class is to reward positive behaviour. We have a number of tools in class for this such as individual reward cards, class reward charts, special helper ideas and countdown charts where they can earn popcorn and a DVD!

Polite Requests

- Please can you send coats into school as the weather becomes colder. As a class we try to spend time outdoors as much as possible, both for learning and enrichment.

We would also appreciate it if you have a spare pair of trainers/wellies that may stay in school for outdoor activities.
