

Nurture Class

Polite Requests:

- Please continue to send your child to school with a bag
- Please continue to send coats in with your child when it is cold as we will still be using the outside areas, also gloves and hats as the weather is getting colder
- Please send in wellies where possible, or send a pair in to be kept at school as we will be going on walks and using the outdoor areas throughout the term.

Thank you in advance

Dear Parents/Carers,

What a fantastic start to the year. We have had a lovely first half term producing fantastic work and settling in well to class routines. I hope you all had a great half term. I have included some information below for the next half term.

Curriculum

During this term our main focus will continue to be establishing relationships with adults and children in the class. Our PSHE sessions this half term will focus on Digital wellbeing and staying safe online. Our Nurture sessions will support developing social skills, turn taking and develop ways to manage different emotions.

English will be taught in Personalised English groups. Your child's English teacher will set homework on a Tuesday and Wednesday night each week.

Maths will continue to be taught in Personalised Maths groups. Your child's Maths teacher will set homework on a Monday night each week.

In science our topics this half term are: Seasonal Changes and The Environment.

Many Thanks Mrs Hollins

Notes:

Class Dojo:

I will continue to use class Dojo as a means of communication. We will also continue to add pictures of activities that we have been completing in class and our outings.

If you would like to speak to me, please feel free to call the school on 01782 550202.

Physical Education:

- Our PE sessions will be on a Tuesday and Wednesday. Please send in appropriate footwear on these days. School will provide the PE kit. Our topics are Fundamental skills and Teambuilding games.
