

Diary Dates

End of term

Friday 17th December

DBE Class

Physical Education

PE will take place on a Monday and Wednesday. Unlike last year we will provide PE kit for the children but please send in trainers/suitable footwear for your children to use.

Our PE focusses for the half term are Basketball and Football.

As well as this we will also be encouraging the children to be active throughout the day.

Dear Parents and Carers,

Welcome back! It's been a super first half term in which the class have settled together well and produced some excellent work. We will look to build on this super start as we begin this half term, a long one leading up to Christmas. This will also be the half term in which Year 6 children will have the opportunity to become prefects, setting the example with their excellent effort and helpfulness.

Notes

- Please use Class Dojo as a means of communication. Feel free to use Class Dojo to inform us of any relevant information and we will use Class Dojo to update you with information throughout the week. We may also use it to share fantastic work and awards! We thank you for all your support in advance

- If you would like to speak to us please feel free to call the school on 01782 550202.

If there is any further information you require please let us know.

Curriculum

As part of our curriculum, regular nurture sessions will continue, build trust and develop social and emotional skills, these sessions will be done in various ways, including using our brand new Nurture Room to play and explore sensory opportunities. Our science focus will be Earth and Space. For our topic, we will continue to study Ancient Greece, including Greek warfare, politics and Gods. Topic will cover History and Geography. French will continue to be taught at class level.

Our class have been amazing so far with their French!

In Maths we will be introducing our exciting new scheme 'Power Maths', encouraging problem solving, thinking and discovering, developing a growth mindset approach to Maths. Homework for Maths will be set on a Monday to be returned on a Tuesday. The children will be placed in personalised groups for English. English homework will be set on Tuesdays and Wednesdays.

Our Offer

We will be using the school grounds to explore and adventure. We have a number of facilities in school that children will be able to use, such as Mountain bikes, inline skates and Mountain boards. We will use risk assessments to determine suitability of trips.

The sole focus of our class is to reward positive behaviour. We have a number of tools in class for this such as individual reward cards, class reward charts, special helper ideas and countdown charts where they can earn popcorn and a DVD!

Polite Requests

-Please can your child bring in a school bag.

- Please can you send coats into school as the weather becomes colder. As a class we try to spend time outdoors as much as possible, both for learning and enrichment.

We would also appreciate it if you have a spare pair of trainers/wellies that may stay in school for outdoor activities.
