DBO Class

Dear Parents and Carers,

I hope you feel that your child has settled well into their new class and has enjoyed their first few weeks. I extend a warm welcome to you all as parents/carers and have detailed a few pieces of information below which I hope you find useful.

I will be your child's main teacher taking full responsibility for the teaching, planning and curriculum delivery. I will be assisted within the Classroom by Mr Corden and Miss Grattage.

Curriculum

The topics for this term are as follows:

Maths: Number and Place value. Mental calculations. Addition and subtraction - formal written methods. Geometry - properties of shape Multiplication and division

Science: Animals including humans Topic: WW II

The children will have specific subject teachers for English, Maths and D.T.

Alongside the curriculum there will be a number of different opportunities for your child to partake in and you will be informed of these as they arise.

Each day we have our Nurture sessions to focus on your child's EHCP targets with an emphasis of supporting skills of positive Social, Emotional and Mental Health outcomes.

Polite Requests:

- Please send coats in with your child when it is cold as we will still be using the outside areas.

- Please send in Wellies where possible as we will be going on walks and using the outdoor areas over the winter.

Thank you in advance

Physical Education:

P.E. takes place on a Tuesday a Wednesday. For these activities the school can provide the appropriate kit however you can provide your own if you wish.

There are times during the year when a change of clothing will be required, you will be informed of these when they arise however it is useful if you could provide a change of clothing that could be kept in school then this will be at hand when required.
