

### Notes:

- Class Dojo - I will be using Class Dojo as the primary means of communication, you can download the app on your phone or use it via a computer/laptop and instantly send messages to myself which I will respond to quickly.

- If you would like to speak to me please feel free to call the school on 01782 550202.

I am now able to send a visual report of your child's weekly behaviour scores should you wish to see them. Again - message on Class Dojo for more information on this.

## Mr Sheldon's Class

Dear Parents and Carers,

Welcome to Mr Sheldon's Class. I would like to introduce myself, Mr Sheldon as your child's class teacher and working alongside me is Mrs Harrison. I have provided some information which you may find useful for the first half of the Autumn Term. Thanks

Mr Sheldon

### Curriculum

During this term our topic will be World War 2.

Phonics, English and Maths will be differentiated within personalised learning groups, where the children will go to their Phonics, English and Maths groups. Please contact me for information about this as this can be taught by different teachers.

Mr Greenwood takes charge of the class every Wednesday this term and he will be teaching Science (Animals including humans) and Computing (E-safety). He will also provide opportunities for a nurture session.

### Polite Requests:

- Please send coats in with your child when it is cold as we will still be using the outside areas.

- Please send in Wellies where possible as we will be going on walks and using the outdoor areas over the winter.

Thank you in advance

### Physical Education:

- Our PE sessions will be on a Monday and Thursday. This term we will be looking at Health Related Fitness and invasion games focussing on developing fitness, cooperation and independence, decision making and teamwork skills.

P.E is taught with Mr Dreher's class.
