

Notes:

- Class Dojo - We will be using Class Dojo as the main means of communication, you can instantly send messages to class staff which we will respond to during school hours. Both Mr Bevan and Miss Moore are on Class Dojo also.
- Many of you already message us on a morning if your child is struggling/has an issue, giving us a brief outline of the situation allowing us to better support your child when they arrive in school, this is massively appreciated
- If you would like to speak to us please feel free to call the school on 01782 550202.

Dear Parents and Carers,

Welcome back to all parents who I had the pleasure of teaching their child last year, and hello to those who are new to the class (and indeed school) this year. I hope you feel that your child has settled well into their new class and has enjoyed their first few weeks. I have detailed a few pieces of information in this newsletter that I hope you find useful.

I will be your child's main teacher. I will be assisted within the Classroom by Mr Bevan and Miss Moore.

Curriculum

Both Maths and English are taught in personalised learning groups, and your child will be based in a class which best suits their needs.

The topics for this term are as follows:

- Science:** Animals including humans
- Geography:** Somewhere to Settle
- PSCHE:** Be yourself
- Computing:** Coding
- Art:** Insects
- Religious Education:** Sikhism
- French:** Greetings and Feelings

Alongside the curriculum your child will take part in a minimum of two nurture sessions a week focusing on a wide range of activities.

Maths homework will be set on a Monday evening to be returned on Tuesday. English homework will be set on a Tuesday and Wednesday evening to be returned on a Wednesday and Thursday.

Polite Requests:

- Please send coats in with your child when it is cold as we will still be using the outside areas.
- Please send in wellies where possible as we will be using the outdoor areas over the winter.

Thank you in advance!

Physical Education:

P.E. takes place on a Monday and Thursday. For these activities the school can provide the appropriate kit however you can provide your own if you wish. The topics this half term are **Basketball** and **Health Related Fitness**.
