

Diary Dates

End of term

Friday 18th February

**Mr Sheldon, Mr Corden & Mrs
Eyre's Class**

Physical Education

In our class we have P.E every Tuesday and Friday. We value the importance of moving our bodies and exercise on both our physical and mental health. We will also be going over to the Health Related Fitness Zone on a Monday to train on the rowers and cardio-walls, as well as completing some Yoga sessions.

Dear Parents and Carers,

Happy new year to you all. 2021 has been a testing year for many and I thank each and everyone of you for your support. We will get through this pandemic together.

Maths and English

Spring Term will see a change to our timetable, to allow personalised learning groups for Maths. The majority of the class will still have myself as their Maths teacher but a few will be taught in a separate group depending on their ability. We are hoping this will have a positive impact on their learning and progress. Please contact myself if you have any questions around this. English will continue to follow the personalised learning groups

Science and PSHE

In Science will be looking at understanding and describing different forces. We will look to do Science every Wednesday. In PSHE we are looking at what it means to be 'Living in the Wider World.' Our first theme is 'Diverse Britain.' This is something that highlights our British Values, exploring areas such as democracy, rule of law, liberty, describing a diverse society and what being British means.

Other Information.

Mr Dreher will continue to teach the class, this time it will be every Thursday. He will teach the children Topic - looking at Mountain Environment and Art - focusing on British Art and Artists. The children in the final week of Autumn Term 2 enjoyed a class trip out where he led them all to the top of Hen Cloud before taking them to Tittesworth Park for a play session. It was great to see so many smiley faces on their return and I'm hopeful the new year will see more reward trips out and possibly the return of sporting fixtures.

This is something that helps staff to provide the 'Cicely Magic' and helps build those all-important relationships.

Class Dojo

Please check Class Dojo regularly - I will post generic information on our class page. Please feel free to contact myself anytime by sending me a message. Alternatively, contact the school on 01782 550202 and ask to speak to myself directly.
