

Notes:

- Class Dojo

Many of you already message us on a morning if your child is struggling/has an issue, giving us a brief outline of the situation allowing us to better support your child when they arrive in school, this is massively appreciated

If we do not respond straight away, it is because we are with the children and we will reply at the next available opportunity.

- The offer is always there, that if you would like to speak to us please feel free to call the school on 01782 550202.

Dear Parents and Carers,

I hope you are all well, and are starting to enjoy the mornings and evenings getting lighter; the children are definitely enjoying the weather getting warmer and the opportunities to get outside more at school.

Curriculum

Both Maths and English are taught in personalised learning groups, and your child will be based in a class which best suits their needs.

The topics for this term are as follows:

Science: Living things and their habitats **Geography:** Extreme Earth
PSCHE: Diverse Britain **Computing:** Spreadsheets **Art:** British Artists
Religious Education: Buddhism **French:** Commands

Alongside the curriculum your child will take part in a minimum of four nurture sessions a week focusing on a wide range of activities, which help to promote such things as cooperation, independence, resilience and many other social skills.

For now, Maths homework will be set on a Monday evening to be returned on Tuesday. English homework will be set on a Tuesday and Wednesday evening to be returned on a Wednesday and Thursday.

Polite Requests:

- Please send coats in with your child when it is cold as we will still be using the outside areas.

- Please send in wellies where possible as we will be using the outdoor areas over the winter.

- Feel free to send in a change of clothes to leave in school to prevent uniform getting dirty.

Thank you in advance!

Physical Education:

P.E. takes place on a Monday and Thursday. For these activities the school can provide the appropriate kit however you can provide your own if you wish. The topics this half term are **Dodgeball** and **Hockey**.
