

### Notes:

- Class Dojo - I will be using Class Dojo as the primary means of communication, you can download the app on your phone or use it via a computer/laptop and instantly send messages to myself which I will respond to quickly.
- If you would like to speak to me please feel free to call the school on 01782 550202.

I am now able to send a visual report of your child's weekly behaviour scores should we wish to see them. Again - message on Class Dojo for more information on this.

Mr Sheldon's Class

Dear Parents and Carers,

Welcome back to Mr Sheldon's Class. I hope you all managed to spend some quality time during the festive holiday. I certainly appreciated spending time with my two boys Arthur and Jack, alongside catching up with family and friends. Although it does not quite feel like it, we are now in Spring term, and we have another busy 7 weeks ahead.

### Curriculum

During this term our topic will be 'Extreme Earth'. This will be taught by Mr Greenwood who will be responsible for the class every Thursday.

English and Maths will continue to be differentiated within personalised learning groups, where the children will go to their English and Maths groups. Please contact me for information about this as this can be taught by different teachers.

We will continue to work on the children's social skills through the use of planned Nurture sessions, as well as providing opportunities for children to interact through 'Free play.'

### Polite Requests:

- Please send coats in with your child when it is cold as we will still be using the outside areas.
- Please send in Wellies where possible as we will be going on walks and using the outdoor areas over the winter.

Thank you in advance

### Physical Education:

- Our PE sessions will be on a Monday and Thursday. This term we will be looking at Dodgeball and Hockey focussing on developing fair play, understanding rules, decision making and teamwork skills.
