Mr Cooper's Class

Spring Term

Dear Parents and Carers,

We hope you all had a wonderful Christmas and New Year. We have been out in the school grounds walking and to several parks in the local area. I have provided some information which you may find useful for the Spring Term. Thanks

Mr Cooper

Curriculum

During this term our topic will be Railways and Extreme Earth, with our main focus being establishing relationships with adults and children in the class and learning the class routines. Our PSHE Topic is ONE WORLD. The children will remain with their class group each day.

English and Maths will be differentiated within personalised learning groups.

Maths homework will be set on a Monday evening to be returned on Tuesday. English homework will be set on a Tuesday and Wednesday evening. If your child's homework is reading please write your comments in the reading record and return with the book.

Polite Requests:

- Please send coats in with your child when it is cold as we will still be using the outside areas.
- Please send in Wellies where possible as we will be going on walks and using the outdoor areas over the winter.

Thank you in advance

Physical Education:

- Our PE sessions will be on a **Tuesday** and **Wednesday** this half term. Please send in trainers and tracksuits if needed.
