

**Nurture Class**

**Polite Requests:**

- Please continue to send coats in with your child as we will still be using the outside areas at break times and during our Nurture sessions, waterproofs will be fine as the weather is getting warmer.

- If you haven't already done so, could you please send in wellies to keep in school or in their bags as we will be going on walks and using the outdoors areas throughout the term.

Many Thanks

Dear Parents/Carers,

We have had a lovely Spring Term with lots of art activities and Nurture time. The children were absolutely fantastic during our swimming sessions and have made great progress. We also had a lovely trip to Cheadle Moon and have completed some great art work following this. We look forward to this half term.

**Curriculum**

Our Nurture sessions will continue to help to develop social skills, turn taking and develop ways to manage different emotions.

English, Phonics and Maths will continue to be taught in personalised Learning groups.

Our Topics for this half term are:

**PSHE:** Think Positive, **Computing:** 2Paint, **Science:** Living things and their habitats

**Notes:**

We will continue to use class Dojo as a means of communication. We will also continue to add pictures of activities that we have been completing in class and our outings.

If you would like to speak to me, please feel free to call the school on 01782 550202.

**Physical Education:**

- Our PE sessions will be on a Monday and Tuesday. Our topics this half term will be Tennis and Yoga. Please send in trainers for our Tuesday session as we will be doing tennis on this day.

Thanks in Advance
