

## Diary Dates

End of term

Friday 27<sup>th</sup> May.

## Mr Sheldon's Class Page.

Dear Parents and Carers,

I hope all had a safe and restful Easter Holidays. I'm looking forward to sunnier days as we embark on Summer Term 1.

### **Maths and English**

Summer Term continues with the change to our timetable, to allow personalised learning groups for Maths. The majority of the class will still have myself as their Maths teacher but a few will be taught in a separate groups depending on their ability. Feedback has been positive, and as always, every decision made is for the benefit of the children. Please contact myself if you have any questions around this. English will continue to follow the personalised learning groups as before.

### **Science and PSHE**

In Science will be finishing off our topic living things and their habitats before moving onto 'Scientists and Inventors'. In PSHE we continue to explore what it means to be 'Living in the Wider World,' with our theme 'Money Matters!' We will then move onto 'Health and Wellbeing' and the theme 'Think Positive.' In this unit we will build on what the children have already learnt about feelings, both comfortable and uncomfortable and how our attitude towards life can affect our mental health. The lessons centre around themes such as thinking positively and calmly, managing difficult emotions, taking responsibility for decisions and developing a growth mindset approach to learning.

### **Physical Education**

In our class we have P.E every Tuesday and Friday. We will be focussing on developing the children's resilience, Decision Making and 'Fair-play' through Striking and Fielding games and Athletics. We value the importance of moving our bodies and exercise on both our physical and mental health. We will also be going over to the Health Related Fitness Zone on a Monday to train on the rowers and cardio-walls, as well as completing some active breaks.

### Other Information.

Mr Dreher will continue to teach the class but this Term will be every Monday. He will teach the children Topic - looking at 'Britain since 1948' and will also provide children with an outdoor learning/ play offer.

There will also be an exciting overnight residential at <https://backdane.co.uk/index.html> on Thursday 5<sup>th</sup> and 6<sup>th</sup> May 11am until Friday 11:30am.

Mr Dreher will organise and lead all visits. Look out for Letters and Kit lists.

On the 24<sup>th</sup> May Children will take part in another exciting wellbeing offer at Rudyard Lake - Bell Boating.

On the 16<sup>th</sup> May we have a whole school wellbeing day, where we will look to raise money for Mental Health Awareness Week which is 9<sup>th</sup>-15<sup>th</sup> May. The planned activity is a sponsored Fun run with 'Squirting Water Marshalls.'

### Class Dojo

Please check Class Dojo regularly - I will post generic information on our class page. Mr Corden inputs all the positive scores throughout the day - you will be able to see them on the Class Dojo app. Please feel free to contact myself anytime by sending me a message. Alternatively, contact the school on 01782 550202 and ask to speak to myself directly.
