

Mr. Dreher's Class

Polite Requests

Please send your child to school with a bag and appropriate clothing, e.g. jumper, coat, woolly hat and gloves, when it is cold and a cap and sun hat, when it is sunny,

In addition, please send wellies and trainers to school, where possible, or send pairs in, to be kept at school.

The clothing and footwear will help your child to learn outside the classroom in all seasons.

Thank you in advance

Here is some information, which you may find useful, for the second half of the Autumn Term. We will continue to work with, to make your child be the best that they can be!

Cheers Mr. Dreher ☺

Curriculum

During the second half of the Autumn Term we're studying the following subjects/topics: French: My local area, your local area; Computing: Online Safety and Spreadsheets; Geography: Exploring Eastern Europe; PE: Health & Fitness and Gymnastics; PSHE: Digital Wellbeing; Music: Livin' on a Prayer (Bon Jovi); Art: North America Art and Science: Light. English and Maths are taught in differentiated groups, usually by another teacher.

In addition, we deliver a variety of indoor and outdoor nurture sessions, which provide your child with the support they need to feel safe at school, to be able to get on with other children, and develop the confidence and resilience they need to succeed both academically and in life.

Homework will continue to come home on Mondays (Maths) and Tuesdays/Wednesdays (English). In addition, if you could help your child learn their times tables using <https://www.topmarks.co.uk/maths-games/hit-the-button> that would help them too!

Also, if you wish your child to read at home (online), they have their own individual user names and passwords for Bug Club. If you want these please let me know and I'll message them to you.
