Dear Parents/Carers

You may have seen in the news recently that Staffordshire will be increasing the testing of residents in a bid to identify more cases of Covid-19 and reduce the spread of infection.

Currently anyone who has one of the main symptoms of persistent cough, high temperature, new cough or loss of taste or smell must self-isolate immediately and book a test. Please contact school to inform us of this happens.

However, with many people displaying other symptoms, residents in Staffordshire are asked to consider getting tested as a precaution if they have other symptoms such as:

- Headaches
- Aches and pains
- Feeling very tired for no good reason
- Sore throat
- Runny nose
- Sneezing
- Sometimes 'tummy ache' in children

People with any of these symptoms can carry on going to school or work if they are well enough to do so and only need to self-isolate if the test comes back positive.

The national testing centres across the county have good availability, and can be booked through [the NHS website](https://www.nhs.uk). People booking a test through this website need to check the 'My council has asked me to get a test' option.

The council also have community testing sites that change on a weekly basis. People can view if there are any sites set up near them by visiting [our testing website](#).

If you have any questions about any of the information contained in this letter, please contact school on 01782 550202

Paul Spreadbury
